Mercedes-Benz
The best or nothing.

Unlimited Mileage Warranty - Unlimited Confidence.

You shouldn't be penalised for putting miles on your Mercedes-Benz, but instead be rewarded for fully experiencing the luxury, performance and safety that a Mercedes-Benz offers.

The 2 Years' Extended Warranty can be purchased at any time before the expiry of the initial 2-year standard factory warranty.

Coverage for a greater peace of mind.

Now you can purchase our Star Care Service Package* and enjoy considerable savings on the standard scheduled servicing costs, with a coverage period of 5 years from the date of vehicle registration or 75,000 km, whichever comes first.

All services are performed in accordance with the recommendations outlined in the Digital Service Booklet.

Additionally, the package helps protect you from potential future increases in parts and service costs by allowing you to 'lock-in' service prices for a period of 5 years or 75,000 km, whichever comes first.

Furthermore, when you purchase the Star Care Service Package, you will receive an extra 10% discount on any additional required repairs outside of the service scope for a period of 5 years from the date of vehicle registration, even if the Star Care Service Package 75,000 km mileage limit is exceeded prior to that.

The Star Care Service Package is only available for purchase prior to the first service.
